Grievance Description	
<p>Sir, I would like to point your attention to the following issue that is at the heart of where you are currently in government. https://twitter.com/VashiMant/status/1033306968952172544?s=19 The following handle lays out the ordeal of a mother whose 14 years old daughter has been kidnapped by a 30 years old man on August 13. Today is the 15th day. No amount of screaming on Twitter to different handles of your government including Delhi Police is working. The girl is not yet back at home and I have already given up hope. I am not related to her in any way possible but this shameless and spineless attitude of Delhi police under you is heart wrenching. I have no hope that you will do anything either because if I understood one thing from this whole incident is that only votes matter. And as long as you have popularity, few cases like these won't hurt you that much. But, if you still care about people and a 14 years old girl, which your police certainly don't from what little information I could gather, please intervene and help the girl. There's no point in celebrating Rakhi when cases like these are happening in Delhi. 28-Aug-2018</p>
